

OUT NOW ON HULU AND AMAZON INSTANT VIDEO!

[The United States of Hoodoo](#) is now live on [Hulu](#) and [Amazon Instant Video](#) in the USA. Here are some first comments from our viewers:

"A beautiful, magical, musical, spiritual, and by the end deeply moving journey." --- "So excited about this work! Thank you for drawing a line from our past to our present. Beautiful, thank you." --- "Excellent look into the culture, tradition, and history of African Traditional Religions and how the rhythm of Africa still underlines the African-American spiritual culture." --- "A very beautiful narrative about Ancestry, Sharing, African Diaspora traditions, and the importance of connection." --- "I love, love, loved it! Very informing and inspirational."
